Newfane/Olcott: A Bucket List Fishing Destination

By Frank
Campbell

The Town of Newfane, with one of the best one-two punches in Olcott and Burt Dam/Eighteen-mile Creek on the lake, has arguably some of the best freshwater fishing on the planet! If you don't believe us, just look at the fact that Olcott was voted as the Ultimate Fishing Town in 2012 by the World Fishing Network. It was further cemented when the community reached out to help their friends in neighboring Orleans County – which ultimately recognized Point Breeze and the Oak for the 2013 UFT title. Whether it's salmon, trout, bass, pike or perch, there's some type of fishing activity that the whole family can enjoy in Newfane and Olcott! And you can catch fish year-round in this agriculturally rich, historically blessed community. Here are some excellent examples for arguing that point:

Olcott's Fishing Opportunities Highlighted on Fishing 411- Once Again

Mark and Jake Romanack filmed an episode of Fishing 411 out of the Town of Newfane Marina in July 2024 in pursuit of schooling salmon and steelhead. The father-son team was not disappointed. Working the offshore waters straight out of Olcott utilizing a mix of spoons and paddles produced plenty of fish to make a great action-packed television show. Mark Romanack went on to say that "the Ports of Wilson and Olcott are one of my favorite summertime trout and salmon destinations! The mid-summer mixed bag fishery never disappoints for those who enjoy trolling for Chinook, Coho, lake trout and steelhead." Look to catch the newest episodes on the Sportsman Channel and reruns of the show on the Fishing 411 YouTube channel. One thing is for sure, you will never know who you will run into fishing in the Olcott area.

2025 Niagara County Pro-Am Tourney

The Lake Ontario Skip Hartman Pro-Am Salmon and Trout Team Tournament, celebrating its 41st year of competition, is the grandfather of fishing contests for Lake Ontario. This past year the Pro-Am was held May 31 and June 1 out of the ports of Olcott and Wilson. A total of 46 teams competed with 22 of those being entered in the Pro Division. Team Screamer edged out Vision Quest and Oh Baby for the title. The Screamer team was led by Captain Dave Anterori and totaled 471.86 points with a

scoring system based on 10 points per fish and a point per pound. The winning team targeted 130-180 feet of water for a mix of steelhead and salmon using several presentations including riggers, divers, and lead core. The most productive water depths were the top sixty feet using a mix of spoons, flasher/flyies, and cut bait.

Reelin' for a Cure

When it comes to Lake Ontario fishing tournaments out of the Town of Newfane Marina, there may be none more important than Reelin' For A Cure founded ten years ago by Stephanie Pieroleoni of Newfane. What makes the event so unique is that it is a fishing tournament for teams made up of all woman and they compete for prize money all while raising funds for various cancer organizations that benefit woman. In last year's event in excess of \$13,000 was donated to We Can Row. A great tournament for an even better cause for sure!!! For information on tournament please visit their Facebook page at Reelin' for a Cure.

No boat, No Problem

Burt dam is known throughout the fishing world as one of the best places to target trout and salmon as they return to the 18-mile creek to spawn and feed. Using a variety of methods, anglers pursue king salmon, coho salmon, brown trout, and steelhead starting in the fall. Brown trout and steelhead will remain through the winter months and into the spring. Best spot to access the Burt Dam area is Fisherman's Park on Route 78 where you will find ample parking and even a ride down to the creek (and back up) after a day of casting a line.

Looking to lose some of the crowd? Try the recently improved Olcott piers or even the Town of Newfane Marina itself as you can cast and try to intercept the salmonids on their way upstream to the Burt Dam. One of the best things about the pier and harbor areas is the fishing is good through all the seasons with warm or cool water species such as pike, bass, and perch available when looking to wet a line during the warmer months. If you ever want to find out what's biting, stop into any of the local tackle shops, call the Niagara County Fishing Hotline at 716-282-8992 Ext. 4, or visit the tourism office website at www.niagarafallsusa.com and look under the outdoors page.

WATERFRONT FUN IN OLCOTT!

TOWN OF NEWFANE MARINA

Olcott Beach and Newfane have some of the best freshwater fishing in the state. Our fishery boasts salmon, steelhead, northern pike, large and smallmouth bass, along with perch and other varieties of panfish. Fishing is hot all year round. You can fish from the Federal Piers which extend into Lake Ontario, our Town-Owned Harbor 5834 West Main St, or hook-up with one of our world-class charter captains. Don't forget, the NYS record steelhead trout was caught from our waters. Upstream, Fisherman's Park at Burt Dam is another access point to our wonderful fishery. Thousands of anglers visit here each year, especially during the fall salmon and trout run. Fisherman's Park also provides a great place to enjoy the scenic walkway along 18-mile Creek while viewing many different varieties of bird species.

Ye Olde Log Cabin

Ye Olde Log Cabin is a replica built by the Town of Newfane of the original Log Cabin located in the TenBrook's Pinegrove (now known as Krull Park). The original log cabin was dedicated in 1888 by the Niagara County Pioneer Association as a location for safekeeping of relics that had been donated to the association. Ye Olde Log Cabin was the location for the annual Pioneer Picnic and also served as the backdrop for a speech given by then NYS Governor Teddy Roosevelt in 1899!

The town of Newfane rebuilt the cabin with Niagara Greenway grants along with private donations in 2016. The new Log Cabin serves as a free historical museum housing many original relics as well as many other historical Olcott Beach items. The museum is operated by volunteers and is open on weekends in June, July, & August as well as the first Sunday in December for Santa's visit!
